

Poster Presentation Excellence Award

THIS ACKNOWLEDGES THAT

Evaggelia Efthymiou Zawvou

received the “**Poster Presentation Excellence Award**” for her work

“Mesomorphic Behaviour and dielectric response
of symmetric difluoroterphenyl methylene-linked dimers”
presented at the “**XXXII Panhellenic Conference on**

Solid State Physics and Materials Science”

which took place between 18-21 September 2016 at Ioannina, Greece

September 21, 2016

Eleferios Lidorikis
Conference Chair
